WHAT IS A STATION MASS? The "Station Mass" originated in Rome under the auspices of Pope Gregory the Great (590 – 604). They were conceived as a daily pilgrimage in the footsteps of the martyrs and saints. Pilgrims and penitents visited forty churches in Rome on foot and performed penitential exercises and celebrated Mass in each "stopping place" or "station". In doing so, they were also following the example of Jesus who went out into the desert and fasted for forty days and forty nights in preparation for his mission. It is this "journey" which forms the spiritual background to the forty days of Lent and the journey each of us has to make into the desert of our own hearts and lives.

WEEKLY MESSAGE FROM CANON MIKE

Where were you and what did you do on New Years Eve ? Some can't remember that far back, others can't remember because they might have had a few drinks, but there were some who made New Years Resolutions and as the dawn broke over Grangetown and beyond, faced the reality of broken promises because they has set themselves unachievable objectives .

This Wednesday will see many making the same promises as they begin a Journey of discovery " I'm giving up this or that " how will that benefit you or your neighbour ? Would it be better for you and your fellow pilgrims that you Gave something **back** to the community, gave of your time , your talents , your self , turning from the Old negativity into a time of planting seeds of Hope , Joy and Friendship .

Give up the clenched fist, the barbed wit, the condescending look and find a Role Model who gave to those around Him a purpose for living, encouraging them to love their neighbour as themselves, to see that we are all God's creatures no matter the colour of their skin , rich or poor, young or old, straight or gay, see the beauty of the world and all created things and recognise we have a duty to care for the many gifts given to all by our Creator God .

So let us start the season of Lent with a firm purpose of amendment, for it's a time of Renewal, a time of Living and rediscovering the true meaning of Lent .

A boy frog telephones the Psychic Hotline and his personal psychic advisor tells him :

"You are going to meet a beautiful young girl who will want to know everything about you"

The frog is thrilled.

" This is great! Will I meet her at a party?"

"No" says his advisor " in her biology class."

Will I be lucky this Valentine's Day with the Postman carrying a bundle of cards?
I hope it's better that last year's
ONE CARD !
